HOME COMING AND CENTENNIAL **GREAT SUCCESS**

Wonderful Week of Reunion and Celebration Now in Full Blast at Louisa.

Louisa holds the happiest crowd this week, and one of the largest, that ever assembled within her limits, It is good for the soul to watch the greetings of the scores of old friends, many of whom have not seen each other for 40 years, others for 30, 25 or 20 years. They are bubbling over with joy, and many are the instances in which they involuntarily embrace and imprint involuntarily embrace and imprint kisses that ordinarily would not be ex-changed. And it is alright and per-fectly proper on this occasion.

The Home Coming has brought for-mer citizens from all points of the compass and the affair is a big suc-cess. Letters and telegrams of regret have come from some who could not

They began to arrive Saturday and the influx has continued in growing numbers right along. Everybody gives unmistakable evidences of enjoyment. There is something to do all the time.

The decorations of streets, buildings and homes are very attractive. Main Cross street in front of court house square is cut off from automobile and vehicle traffic. Two huge arches span the street at each end of the square. "Welcome Home" stands cut in strong letters from the central place in these arches. This wide and beautifully paven street and the shady lawn of the court house square form an ideal court house square form an, ideal ce for all the outdoor exercises. Decorations of bunting, flags and pen-nants, and lines of electric lights are ve.y tastefully arranged. A stand for speakers is located in the street.

"Welcome" is on the door mats, the r posts, the faces of our people, and door posts, the faces of our people and in their hearts. And we know the old friends ere glad they came back to the old home town on this occasion. The homes are open to them and it is difficult to judge which are having the best time—the bosts or the guests.

After prayer by Rev. John Cheap, the exercises opened on Monday af ternoon with a warm address of wel RAILROAD STRIKE

ternoon with a warm address of welme by Mayor L. F. Wellman. He
voiced the sentiments of Louisa and
Lawrence county in well chosen and
ferwently uttered language.

Then a quartette composed of Will
Cain, Ora Atkins, John Burns and
Lafe Wellman sang "Home, Sweet
Home," Everybody joined in the chorus
Hon, R. C. McClure, master of ceremonies, presented Mrs. Melva Gartin

ing and appropriate address. He re-versed the trend of the speeches and ve gracefully paid tribute to the felcountian, who deliver s who had stayed with the old ne town and made it what it is. He reviewed local history in an inter-

new physically of Mr. Sterling, but in spirit of Louisa. We may be taking but his new physically of Mr. Sterling, but in spirit of Louisa. We may be taking undue liberty in saying this, but his heartfelt speech so impressed us. He went back nearly 75 years, to the time his residence in Louisa began, and made many references by name and otherwise to people who have lived here. His address was warmly retained by the loves crowd. ceived by the large crowd.

Luther Walter of Chicago was the

t speaker. He has been absent out 20 years, during which time he has developed into a very useful, efficient and capable citizen. He is a polished speaker of fine presence and perfect poise. Not only that, but what he says is worth white made and point. His address was a gem. The fact that he left his busy office long enough to come to this home coming is sufficient evidence of his deep interest in the old home county.

J. W. M. stewart put the finishing

entire program and everybody present was better for having been there. The spirit of the occasion was decidedly elevating and inspiring. It was really a love feast and it put the occasion in proper tune for the week of celebration.

PROGRAMS OF TUESDAY AND **WEDNESDAY GOOD**

Military Day and Educational Day Made Up of Interesting Features.

Tuesday, Military Day.

On Tuesday morning there was a military parade led by Col. Jay H. Northup and Capt. J. W. Yates on horseback, following the band. The former was in uniform and Mr. Yates had across his shoulders a quilt into which a Confederate flag had been worked. There were five old soldiers of the Civil war on horseback and others followed in automobiles, the

blue and the grey side by side.

Next in the procession came Span out from Lawrence and won success in the world none has done better than the subject of this sketch. After practicing law here successfully for a few fitching law here successfully his father. ish American veterans and then some

Wednesday, Educational Day.

After an enjoyable band concert from 10 to 10:40, Hon. George Colvin, Pastorate in Louisa State Superintendent of Schools, was introduced by Supt. Dock Jordan to the large crowd assembled in front of the court house. He spoke for a little Church, South, at this place closed his year's work last Sunday. He preached at both services, morning and evening. He has been here three years as pastor, moving here from Charleston, pastor, moving here from Charleston, S. C. He is a very able preacher and he and his family are well liked in politics with school matters. He pleaded for better schools and for a higher standard all the way through Kentucky's educational affairs. His speech was pitched upon a high plane. His Prof. McClure was here from Omar, W. Va., a portion of the week. He is entitled to a place amongst the edu-

Inited States in large cases.

He is a son of Mr. and Mrs. M. M.
Walter of Blaine, Lawrence county.
He was always bright, studious and ambitious. He attained an excellent education and then went out into the world and made good. Lawrence county is proud of him, and the committee chose him to deliver a response to the address of welcome on this home coming occasion.

The Airplane Was Wrecked on Wednesday

Very much to the regret of every body the airplane that was employed to fly at the centennial celebration ev-ery day, was badly wrecked Wednesday morning after the usual flight. In attempting to land at Eloise the machine came in the edge of the corn-field and the tall corn broke the propeller blades. The machine hit the ground hard and broke the wings from one side and otherwise damaged it. The flyer and the passenger were not injured. The latter was Charley Kin-

er.
The machine is so badly damaged that it can not be repaired in time to make any more flights here this week. This is very much regretted by all, but the accident was, of course, un-

Humphreys Uncovers New Oil Pool in Texas

The following refers to Mr. Humphreys, of Charleston, W. Va., known to a number of people in this region:
Discovery of an important new oil pool is indicated by a wild cat drilled by the Humphreys Oil Company near Kosse Texas, and which is producing oil at a rate estimated between 5,000 and 6 000 barrels a day, according to reports just received by the Pure Oil Company.

Company.

The development is regarded by the company as the most important and significant since the discovery of Meria by these same interests. The well began spraying oil at a depth of 3.750 feet, and when drillers began to pull the tools, the pressure of oil blew them out of the hole with a gusher flow of oil.

The location is entirely new with no other drillings in the vicinity. Drilling other drillings in the vicinity. Drilling was started September 1, 1921, and the first showing of oil was noticed on May 1 at a depth of 3,696 feet. On May 8 3,400 feet of five-inch casing dropped 300 feet and the work was held up by fishing, which was not completed and the hole cleaned out until August 12, when at a depth of 3,700 feet drilling was resumed.

Pure Oil-Humphreys interests have 200 acres in this locality, making a solid block of leaseholds, and the discovery well is located on the Jones lease, slightly west of the center of their holdings and a mile and a half northwest of the town of Kosse. The oil produced is clean, with a gravity of 29.4 degrees, and a color similar to a dark green lubricant. Some Idea of the significance of this new pool discovery is suggested by the fact that the discovery well in the Mexia pool made only 200 barrels a day initial. This production was from the Woodbine sand at 3,065 feet.

As in the case of the Mexia development, the Humphreys Oil Company in which the Pure Oil Company has a 25 per cent interest, has the advantage that accrues to the successful wild catter in the new pool near Kosse, by reason of practically uncontested choice of acreage in the area which has been mapped by the company's geologist as having oil possibilities. In Mexia field the Pure Oil-Humph-

reys interests are now producing an output equal to over 50 per cent of the total in the Mexia district. The producing properties of these interests have been consistently averaging con-siderably over 30,000 barrels daily for

Institutions Cost State \$1,742,289

Frankfort, Ky., Aug. 18.—Total ex-penditures of the Department of Charities and Corrections for the fiscal year ending June 30, 1922 amount-ed to \$2,062,661.23, according to the annual report made public by J. P. Byers, commissioner.

This amount included the expenses the central office and for the seven public institutions under the de-partment's control, the three State hospitals, feeble-minded institute, ouse of rform, State reformatory and State \$1.742.289.92.

SELLING PENNIES BY WEIGHT PROVES TO BE LOSING STUNT

with copper pieces and was engaged in weighing them on the scales. He fig-ured they weighed eighty cents to the pound, and as he had five pounds he offered them to the traveling sales man, sack and all, for four dollars. The salesman took the offer, gave the owner four dollars and walked out with the coppers. The News man accompanied him to the station where they proceded to count the pennies, and found that he had received seven dollars and forty cents and a good canvas sack for four dollars. The canvas sack for four dollars. moral to this story is: "Always count your pennies" before giving them "a weigh."—Williamson News.

SAVINGS CERTIFICATES.

Columbus, Ohio,—As an evidence of the increasing popularity of Treasury Savings Certificates with the general public, the Savings Division of the Fourth Federal Reserve District an-nounces that the sales of these certificates for the seven months ending July 31 exceeded \$95,000,000, as pared with sales of less than \$20,000,-000 during the same period of 1921. Sales during the month of July ex-ceeded those during any previous month of the year. Of the \$95,000,000 sold, over 16 per cent were purchased by investors in the Fourth Federal Reserve District.

With all issues of Liberty bonds and Victory notes selling above par, Treasury Savings Certificates paying 4½ per cent interest compounded semi-annually, and subject to no market fluctuation, yield a higher return to the investor than any other govern-ment obligation. These certificates can be purchased at practically all post offices in denominations of \$1000, \$100 and \$25. They mature in five years and are exempt from all state and local taxes and the normal Fed-

DENTON MAN DIES.

An amusing incident was witnessed yesterday by a Daily News reporter while on one of his regular trips to a near-by town. Happening to stop in a small general store, he found there, besides the proprietor and clerks, a traveling man who seemed to have a peculiar fondness for pennies. The owner of the store was well blessed with copper pieces and was engaged in Cecil Williams, former resident of

A New Standard of Value

Six Cylinders—Four Doors—\$1395

Take a look at the Jewett Sedan in the illustration. Have you ever seen smarter linesmore distinctive appearance?

Then remember that it has an all metal body with four doors and the best of coach work. That means no embarrassing rattles or squeaks.

Inside you will find soft, inviting upholsterybroad seats—all those appointments that spell comfort and pride of ownership.

Up under the hood is a fifty horse power,

six cylinder motor offering vast reserve power and the smoothest of riding qualities.

Under the body is a superb chassis—as strong as fine engineering can make it-designed and endorsed by the Paige-Detroit Motor Car Company.

Could you ask for anything more in appearance, comfort, power and dependability. Then try to realize that all this can be yours for \$1395 f. o. b. Detroit.

Big-Six Speedster Latest Addition to Studebaker Line

Announcement is made of a new and important addition to the Stude-baker line, the Big-Six Speedster. Of four-passenger capacity, this new model is noted not only for its snappy lines and aristocratic appearance but also for the fact that it is the last word in completeness of equipment. word in completeness of equipment.

Among the innovations presented in the new Big-Six Speedster is the up-holstered arm rest which is a feature of the rear seat design and which provides the ease and comfort of an

over-stuffed arm chair.

The new model is priced at \$1985, f. o. b. Detroit, and at this price it includes a number of features which are either exclusive or are to be obtained in only the highest priced cars. Among these are the courtesy light on the driver's side, front and rear bumpers and the travel trunk at the near which is easy of access because the two extra disc wheels (including tires and tubes) are mounted on the font fenders and

therefore are out of the way.

Because of its long, sweeping line Because of its long, sweeping lines, the many extra appointments and the quality throughout, the new Speedster gives the impression of being a much more expensive car than it really is. Further touches of beauty and completeness are the massive head-lights, with artistic cowl lamps and tail lamp, with artistic cowl lamps and tail lamp.

with artistic cowl lamps and tall lamp, tonneau light with extension cord; diear-vision, one-piece windshield; windshield wipers; jeweled eight-day clock; cowl ventilator; built-in, thief-proof transmission lock when is operated by the same key that locks the ignition switch and the tool compartitude left front deep. ment in the left front door.

For Congress-W. J. Fields.

The Big Sandy News is very much gratified over the success of the cele-bration in Louisa this week. The Home Coming feature is working out most happily. The county fair is just starting as we go to press and it promises to be equally successful.

The Big Sandy News completes its 37th year with this issue. The senior editor was one of the proprietors when the paper started. The junior member of the firm came into the office as early in life as possible. We are celebrating along with everybody else

The following is from the daily

"The attitude of the brotherhood chiefs was expressed by T. C. Cashen, president of the Switchmen's Union of North America. We are not so sorry for the strik-ers,' said he, 'as we are for the American public. They are going to be the sufferers—more and more as the strike is prolonged."

This is exactly true, as we often ave said. The public is the sufferer. It is a case of 95 per cent of innocent people being punished by five per cent. The railroads are recognized in the statutes as public service corporations. The fabric is of the business of the United States is built and sustained by its railroad system. No factory or enterprise or undertaking of an importance is ever located without railroad facilities. The life and prosper-ity of the country is dependent upon keeping the railroads going, as much so as the life of the body is dependent upon the circulation of blood through its arterial system. the legislative bodies took out ment can not make a train schedule without sending it to Washington first 1922. for approval.

from any other in its relation to the people. The next step that comes must way must be found to settle differ-

Electric Line Nears Completion up Sandy

Pikeville, Ky., Aug. 25.—The 88,000-volt line of the Kentucky and West Virginia Power' Company, between Sprigg, W. Va., and Betsy Layne, Ky., has been practically completed. This line will furnish power from the Sprigg and Logan plants to the Big

Sandy coal fields.

A 44,089-volt distributing line is be ing built from Betsy Lane to Elkhorn City with branch lines up Shelby creek and Marrowbone. Another 44,000-line is being built down the river to furnish power to right and left

The company is now working up an estimate for the continuance of this 88,000-volt line from Betsy Lane to Hazard, where they already have a 16,000 K. W. plant which supplies power to 52 mines. This extension would tie all three plants to the company.

The company was fortunate in getting in enough material before the strike to enable it to continue its work and thus utilize the labor resultlng from idleness of the mines and railroads. Their payroll for this section numbers 175 men.

TIS HOME COMING WEEK.

Louisa, your children are coming To the old home nest once more To bask in your smiles and sunshine, To feel once more your caress.

Some have wandered afar from the home nest, But always expect to return:

They are coming back to thee

For 'tis Home Coming Week we

They are coming to sit by the fireside And talk of things long ago-Of joys and sorrows experienced, And the trials of life tide we know.

They are coming to bask in the sunshine

Of happiness so good and pure,

JUSTJOE.

Robt. Owens Cassell.

It is hard to tell who is stepping higher today—Carl Cassell or Col. Robert Owens.

Yesterday morning a fine son, the first-born to Mr. and Mrs. Carl Cas-sell arrived at their home on Lock sell arrived at their nome on Lock avenue. He has been named for Col. Robert Owens, a close friend of Mr. and Mrs. Cassell. Mr. Owens is very proud of the honor bestowed upon

Go To Family Reunion.

Henry and P. L. Cline left to spend the week-end with their mother, Mrs. C. C. Cline at Prestonsburg. There are seven children in this family and today these grown-up children, with their wives and children will gather at the Cline home for one of mother's good dinners.

Enroute To Louisa.

Mrs. Cora Abbott McGrath and daughter, Miss Frances Robertson of Washington, D. C., stopped in Catlettsburg Saturday to visit relatives. They were enroute to Louisa for the home coming celebration. Mrs. Mc-Grath and her sister, Mrs. Josephine Rice, who visited here as girls (as the Misses Abbott) will be pleasantly remembered by friends in our city.

Will Go To Louisa
For Home Coming.

Mrs. Watt Andrews, formerly a resident of Ashland now of Winchester, was here the guest of Mrs. George Calvin of Lexinxton avenue. On Monday Mrs. Calvin and Mrs. Andrews went to Louisa where they will visit

for a short time with friends and be present at the weeks celebration which will go down in Louisa annals as the grandest seven days in the history of this thriving little city-Home Com-

at her home and was taken to the the next term of court. She was al-hospital where she was operated on lowed bond in the sum of one thouappendicitis on August 19. She sand dollars.

died the Tuesday following. Cloral Quisenberry, the daughter of W. C. and Sallie Quisenberry, was baving killed Richard Smith last born at Carrollton, Ky., August 31, spring and who has been in the Haz-When a young woman she movwith her parents from Carrollton near Willard. Curtis Jent, who is charged with having killed Richard Smith last ard jail for safekeeping jumped from the train near Blackey and made his escape last night. He was being brought here for trial. He was in charge of deputy sheriff. Henry Brown and it seems that he managed to slip the handcuffs and jumped from the whidow of the moving train.

mer Gap, Lawrence county, and Mrs.
Luther Giles of Grayson.

She was a leader in political, social and civic affairs.

Miss Lucretia Cassady has returned from her vacation and is again ready for millinery business.—Whitesburg Leader.

A Small Down Payment Gets You A Ford

A Ford Car is better security than nine investments out of ten. Selling it is easy because it is always in de-

That is why you should buy it on time, if necessary, just as you would buy any other staple article that in-volves a considerable sum.

It is not good business to tie up your money in some car that is just an experiment and in a very short time be worthless to you and with a resale value of practically nothing. BUY A CAR THAT HAS PASSED THE EXPERIMENTAL STAGE.

The Ford Car long ago passed the experimental stage and now with the many improvements such as One Man Top, Ventilating Windshield. Top, ventilating Windshield, Highly Polished Crank Shaft, Very Light and Oil-Proof Pistons, and many others that assure a smooth and even run-ning motor is by far a better investment and is selling for less than at any time in the history of the car.

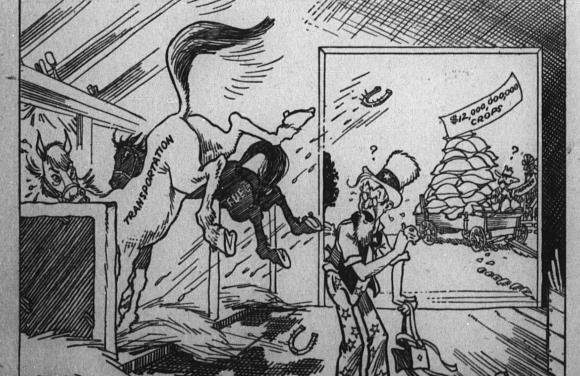

We will have at least one of these cars on display at our show room all during the Home Coming and Centen-nial and will be glad to demonstrate this car for your benefit.

See us at once for full particulars.

Jno. C. C. Mayo College

PAINTSVILLE, KENTUCKY

A Junior College with accredited High School and Normal School departments and with special departments in Music, Expression and Commercial subjects.

Our Normal School gives the regular Elementary Normal Course as required by the State of Kentucky. We have been accredited by the State and are authorized to grant the elementary certificate to those completing the course.

Our Commercial College is exceptional in its work and standing. Our Students hold many of the best stenographic positions in the Big Sandy Valley.

We offer work in all the grades. This work is given by trained and experienced teachers. As in buildings the foundation is most important so in education is the grade work most important. Many parents send their children to us for this work.

Christian ideals are inculcated and in the life of the School Christian Standards are kept before the Students.

We have two large dormitories with all modern conwe have two large dormitories with an inderit conveniences. Boarding and room rent is only twenty dollars a month. The College's total charge for work in the High School, Normal and College departments for Boarding and tuition is only two hundred twenty-five dollars for the term

Our term opens September fifth and it now seems certain we are to have the largest enrollment in the history of the institution.

2000000 Frequent Headaches

"I suffered with chronic constipation that would bring on very severe headaches," says Mrs. Stephen H. Kincer, of R. F. D. I. Cripple Creek, Va. "I tried different medicines and did not get relief. The headaches became very frequent. I heard of heard of

Thedford's BLACK-DRAUGH

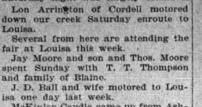

and took it for a headache, and the relief was very quick, and it was so long before I had another headache. Now I just keep the Black-Draught, and don't let myself get in that condition."

condition."

Thedford's Black-Draught (purely vegetable) has been found to relieve constipation, and by stimulating the action of the liver, when it is torpid, helps to drive many poisons out of your system. Biliousness, indigestion, headache, and similar troubles are often relieved in this way. It is the natural way. Be natural! Try Black-Draught.

Sold everywhere.

SOME eradicate t he evils, and how to succeed in the work of general betterment is, of course, a great task. The following prob-lems, if solved, would bring America peace, happiness, and prosperity Let us solve them.

The new Goodyear

Cross-Rib Tread Cord

Discounting the "Discount"

in Advance

You don't have to be a shrewd bargainer to get the bottom price on the new Goodyear Cross-Rib Tread Cord.

Instead of listing it at a high price, to enable the dealer to attract you

with a so-called "long discount," we list it as low as we profitably can.

You can see from the figures below that its advertised price is lower than the net price you are asked to pay for many "long discount"

We believe the average man would rather buy tires on this frank and open basis, and assure himself a product of recognized worth.

long-staple cotton, and it embodies the patented Goodyear method

didn't sleep. Apathy is the enemy of preparation. America has never been ready for any war, and unless we cure apathy, we will never be ready for any battle. Every boy in America should have at least three months of military training; every young man in America should take advantage of the Citizen's Training Camp every summer. FIRST—Apathy. America's people love good humor. Feed them well and permit them to sleep and they will laugh through any storm and ride through any disaster. Immediately after the disasters of life

have apparently passed, however, they settle down into a state of apathy. That condition is today advantage of the Citizen's Training family a spiritual example and to apathy. That condition is today settling upon us.

During the war, we preached preparation, watchfulness, and the curbing of all radical forces. When peace was announced, we settled back into the habit of eating, sleeping, and laughing. The "red" forces didn't sleep; the powers antagonistic to good government and daughters. Millions of our peo-

destruction,
THIRD — Sabbath desecration.
Men cannot ignore the law of God
which commands every man to
stand still and rest on the first day
of the week. The Sabbath desecration which is on the increase in
this country is largely responsible
for the confusion, the chaos, and the
anarchy that is rampant in this
land. Bring men back to the observance of the Holy Sabbath.

FOURTH. Mestered spiritual

servance of the Holy Sabbath.

FOURTH—Neglected spiritual duties. It is the duty of every man to be in his church pew every Sunday morning, to give his child a spiritual education, to set before his family a spiritual example and to give some of his time to the spiritual work of the church. Men are neglecting their churches; they are forgetting their spiritual duties; they are omitting to pay their obligations to God.

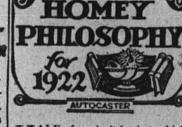

America was intended to be a

In summer evenin's, calm an' still, we used to hear the whippoorwill send forth his plaintive note; we heard the twitter of the frogthe baying of the old coon-dawg,-the gruntin' of the shot. . . The glory of the summer night, when cricket's chirp an' skeeter's

bite, lent sperit to the hour,-delightful in its warp an' woof, the rain-draps on the clapboard roof, grew dreamers full of power. . . . But now, alas! The modern way commences when we hit the hay, an'

scorns the midnight bell. . . . We hear the squawks from Timbuctoo -the dismal groans from Waterloo, -the frenzied shrieks from hell! We gather in all noise that's made,—the devilish rot of every gradebroadcasted through the air. . . . We tune our dingus up at night, and ketch the hymns of hate an' spite, that's let off-everywhere!

I used to use a poultice hot, for all the innard pains I got-to draw 'em to the skin,-but I ain't got no keen desire fer rigs that draw without no wire, an' fetch hyster-

HALF of us don't begin to think before we're thirty-five. We just think we think. When we get to forty we're still fools but some of us know it. We have a right to expect twenty-three years of life. At forty-five we may expect to live twenty years, at fifty we can look forward to sixteen years and at fifty-five, thirteen years and the bell will ring if it don't ring before. Pancy a fellow having thirteen years to live taking time fault finding. He sleeps half the time. That cuts him down to six and a half years. Chop out holidays, Sundays, time for three a day and be's just got time to start what he hoppe to finish. Come to think of it, some of us had better quit picking on the other fellow and get busy.

This is the greatest sale event that Huntington offers twice yearly. The success of Dollar Day is evidenced by continual growth for the past seven

SIXTY HUNTINGTON MERCHANTS HAVE MADE PREPARATIONS TO GIVE YOU REMARKABLE VALUES FOR YOUR MONEY ON DOLLAR DAY.

For the past three years we have had customers come as far as two hundred miles who felt themselves well repaid for the expense of the trip by the purchases they were able to make.

When you come to the city look for the YELLOW SIGN CARDS in the windows. They are displayed by the merchants who join us in celebrating this event and where these signs are displayed you will be fairly and courteously treated. These official signs are your guide to securing Dollar Day merchandise and we can endorse the merchants to whom we have delivered signs.

We make this explanation because on last Dollar Day we received some complaints from customers who had visited stores who did not display official signs and were disappointed in their offerings.

A GREAT OPPORTUNITY TO SECURE MERCHANDISE FOR THE CHIL. DREN AND ALL THE FAMILY BEFORE THE OPENING OF THE FALL SCHOOL TERM THIS YEAR.

We cordially invite you to visit Huntington on Dollar Day, Sept. 7th, assuring those who come a wonderful wealth of suitable merchandise at the lowest price quoted for the entire season.

> WATCH THE DAILY PAPERS FOR DETAILED OFFERINGS TUESDAY AND WEDNESDAY OF NEXT WEEK.

"THE FOURTH AVENUE STORE" Member Huntington Business Mens Association

Hantington, W. W.

Cordially invites you to Huntington on Dollar Day and calls your special attention to the splendid values which will be given on this occasion. Our

DOLLAR DAY

offers have always been exceptional in their character. This store has always given its customers more than they expected and this occasion will be no exception to the rule.

Some of our offers will be of extraordinary attractiveness. We have reserved from some of our summer stocks a few items left on hand after our clearance sale and these will be offered to our customers on Dollar Day at a tempting price. Many of these items were selling for several times our Dollar Day price. Naturally as the quantities are quite limited on these special values the early buyer will get the pick. Come early.

May we hope to see you in our store on Dollar Day?

Simple Problem In Mathemathics. Denny Williams teaching his girl arithmetic—

He said that was his mission; He kissed her once, he kissed her

twice And said, "Now, that's addition;"

And as he added smack by smack In silent satisfaction, She sweetly gave him kisses back, And said, "Now, that's subtraction." Then he kissed her and she kissed

NOW Is the TIME to

Repair Your Buildings

Buildings that are not given proper attention and necessary repairs made, depreciate much more rapidly than when kept in good repair. Repairs cannot be made successfully in bad weather and should be made during the summer months. Roofs should be painted, decayed boards replaced and buildings given a general overhauling before winter.

Why not construct that new concrete walk or celler that you have been wanting, now. Paint the old house, it deserves it.

We carry a complete line of Lumber, Paints, Finishing Materials, Cement, Plaster, Lath, Roofing, Builders Hardware and all other materials necessary to repair buildings of all kinds.

RIGHT TIME TO EN-

Now while business is dull is the best time to enter a business school, because it will enable you to finish just about the time business is picking up. If you do not have the money at hand, it will pay you to borrow, so as to be ready at the right time.

TUITION Our tuition is payable at the beginning of each month, and we do not accept tuition more than one month in advance. The following is our monthly rates: \$16 first month; \$14 second month; \$12 third month; \$10 fourth and any succeeding months. Can you beat that for price and terms anywhere?

POSITIONS

Even during these times of business depression, we are having more calls for bookkeepers and stenographers than we can supply. Just think what it will mean when business revives. We do not charge for placing our pupils in positions.

SALARIES

We are placing our pupils in positions today which pay almost double what they were paying seven years ago. Ordinarily the first month's salary pays back what your course with us cost you. Just think what

a splendid value you are getting for your money! Our teachers are all specialists in the line of work they teach and hold

diplomas to show their preparation. They have done actual bookkeeping and stenographic work which makes their teaching very practical. This is a special advantage we are offering.

DIPLOMAS

We do not charge for our diplomas. When a pupil has passed our requirements we give him a diploma free of charge. That makes our diploma a gilt-edge recommendation to a business man.

DORMITORY AND RESTAURANT

We have a dormitory for girls in the school building and charge only \$8 a month for rooms, where girls are looked after as carefully as they would be at their own homes. We have a dining room in the school building where our pupils get meals at very reasonable rates.

FALL TERM OPENS.

Now we have laid the main facts before you. All you have to do is to make your arrangements and be here ready to enroll the week of September 4 and be ready for work September 11. We can take care of you on a moment's notice, and are ready and willing to work hard to prepare you for a fine position.

me XXXVII. Number 52.

LOUISA, LAWRENCE COUNTY, KENTUCKY, SEPTEMBER 1, 1922.

BRIEF REVIEW OF OUR PROGRESS

the population of Louisa has doub-in twelve years, which is a better ord than a majority of cities in the mtry have made. The prospects country have made. The prospects for further growth were never as good as at present. Paving the streets have given an impetus that promises to carry along to much greater things. Reviewing for a few years we find amongst notable improvements natural gas piped into town for general uses in 1896.

Water works and sewerage system installed in 1904 by W. B. Cox, who

installed in 1904 by W. B. Cox, who died recently.

The bridge connecting Louisa with the Point and with Fort Gay built in 1905. (The stock was difficult to sell and the directors borrowed the last \$10,000 needed to complete it.)

Riverview hospital was built in 1906 and the need of it has been proved by the large patronage it has received.

The next great improvement was

F. T. D. WALLACE.

Mr. F. T. D. Wallace is, so far a

we can learn, the oldest person now living in Louisa who was born here and has lived in Louisa continuously;

He is a grandson of Frederick Moore

and a son of Thos. Wallace, both leaders in the earlier history of this coun-

rence county's home coming

Louisa to Paintsville. When complet-In agriculture and live stock there

has been marked progress. The county has employed agricultural experts. Better homes have been built. Autoles are plentiful, and the people are living better. Sporadic explorations in Lawrence

county for oil have been made since 1865, but the real development started in 1910, when berea oil was found three miles south of Louisa. Since that time hundreds of wells have been drilled, with very few dry holes. This is now our chief industry.

Dr. W. B. McClure Visits

home coming is Dr. W. B. McClure. He is known throughout the State as eminent specialist in diseases of pointed commissioners to meet at Louisa and decide. On the day they in Lexington many years ago. No one is enjoying this home coming more

MRS. F. T. D. WALLACE.

We are pleased to be able to print a picture of the good woman whose name heads this sketch. While not a native of Louisa this is not her fault, as she could not choose her place of birth. We are sure she would have done so if possible. Louisa claims Mrs. Wallace as her own just the same. Her useful life has been spent here in do-ing good. She was born and reared at Hartford, New York, and came here in early womanhood to visit her sis-ter, Mrs. J. H. Northup. Of course there was no chance for her to get away from Louisa-and she is here

week and can bear witness to their up-to-dateness. They have new streets sewerage and water system splendid homes with well-kept lawns, substantial business concerns whose places of business reflect their belief Wallace has been active in church work through all her life. She has one record that is seldom equal-led. For 50 years she has been a eacher continuously in the same Sun-Church South. Also, for nearly 40 years she was organist for the church Sunday school. Mrs. Wallace was ident of the Woman's Missionary Society for many years, but was re-lieved at her own request some time

Louisa has no more highly prized citizen than Mrs. Wallace.

GIVE US THE NAMES.

It is impossible to get the names of all who were here this week and we rould like to have the names of any who were omitted from this issue in time for publication next week. Please telephone or bring them in.

Wm. Walters appointed constable in district four.

Robt. Miller appointed constable in district five.

County Newspapers

Louisa's first newspaper was the Chattaroi News, started by Joe H. Borders of Paintsville about 1880. After less than two years Mr. Borders per was suspended. Next came the Lawrence County In-

dex, which began its career in 1883. Pref. H. T. Lyttleton, then teaching a private school here, joined with church, one of the largest congrega-Tom Dickenson, a printer, in estab-lishing the Index. Later W. O. Johnson, now a Colonel in the U. S. army, bought Dickenson's interest,

M. F. Conley, and the name was Home Coming. Previous engagements changed to the Big Sandy News. This prevent. partnership continued 18 months, when Not one time has the paper failance. Modern machinery was gradually acquired until a first class was built up. In 1912 and in 1922, the only times that the Kentucky Press Association has offered prizes to the best newspaper in the State, the Big Sandy News has been awarded first

In 1919 Ed K. Spencer became a partner in the NEWS. He had been connected with the paper for many

Within the last 37 years papers have been started here under the been started here under the following mames: Enterprise, Banner, Advocate, Journal, Commercial, Chronicle, Advertiser, Times, Leader, Picket, Courier, Herald, Recorder, and perhaps another one or two. Some of these papers changed hands two or three times.

Clyde M. Meek is here from Ca fornia. We have not learned whether or not he came for the heme commockasion. If so he came father the Leo Frank. John Chapman, also, car from Florida in a Ford.

LOUISA NAMED FOR LOUISA WARD

Louisa was named for Louisa Ward, the first white child born where the town is located. She grew to woman-hood and married a Hampton at Cat-

Frederick Moore owned most of the land now occupied by the city of Louisa. He had come into this locality from Philadelphia in 1815, bringing a stock of merchandise with him. In addition to the land on which Louisa sits he bought a large boundary across the river where Fort Gay is located and river where Fort Gay is located and the large bottom now known as the Hammond land. After three years of prosperity as a merchant and trader he sent to Philadelphia for his wife and two small children. Mrs. Moore was a Miss Vanhorn and they established their home on the land mentioned above as the Hammond land. He lived to be 92 years old, dying in 1874.

A number of his descendants have Coming out of the Civil war a major at a very early age for this rank, today. Col. Laban T. Moore was a he engaged in business at Louisa and was successful. Also, he took an interest in politics and was honored by Wallace and G. F. Gallup are promising negative several times.

Mr. B. F. Thomas Writes His Sentiments of Louisa

The committee asked Mr. B. F. Thomas, of the United States engineer service, to make a response to the ad-dress of welcome. He sent a letter expressing deep regret over not being able to be present the first day. He follows this with a tribute that we think is well worth publishing:
"I went to Louisa 43 years ago and

"I went to Louisa 43 years ago and remained then, except for short intervals for 28 years, and have never voted anywhere else, even to this day. I love the town, its people, its social life, its friendly disposition, its business and educational activities, and its old-fashioned stand for christanits old-fashioned stand for christanity, and good morals and would be
well content to spend my remaining
days among its good citizens if I had
congenial employment for my mind
and body. My closest and most loyal
friends live there and when the time
comes for me to lay life's burdens
down I expect to take my final rest
on too the mountain overlooking that

The message is characteristic. We have no doubt that he very deeply regrets being unable to be present. He most assuredly is "absent without leave" from this home coming affair. No excuse would have secured a "leave" if it had to come from this end of the line.

He is the first person who suggest.

B. F. THOMAS.

Birdseye View of Loui

A little more than twenty years ago the above birdseye view of Louisa was made from the hilltop on the West Virginia side of the Big Sandy. This was before the bridge between Louisa and Fort Gay was built, but when the NEWS had the cut made the bridge was marked on the photograph. The stage of the river was too high to show the lock and dam. Many changes have taken place since

that. Nearly all the open spaces of ground have been built up with houses. But we are dealing largely this week with the "dim. distant past" and this is perhaps the first picture ever taken of the entire town site.

LOUISA OF TODAY.

Briefly outlined the Louisa of today is as follows:

POPULATION, 2500. A Board of Trade: Four Churches: Normal and Business College; School of Telegraphy: High School.

Two National Banks; Two Newspapers (linotype equipped); Forty Stores.

July 31.-The following teachers will have charge of the public schools: Prof. U. S. G. Anderson, principal, Miss Matie Wallace, first assistant, tor of the M. E. Church at this place. Miss Belle Burgess second assistant, Miss Ella McHenry. Monday, Aug. 31 will be the day school opens. Aug. 7.—The New Domain Oil and

Gas Co. struck a strong gas well on right Beaver last week. The Blaine and Louisa Telephone

MASONIC ACADEMY **ENROLLMENT FOR** THE YEARS 1868-9

1: 1256 the Masonic Academy was estable ad in Louisa through the efforts of the Masonic Lodge. The first floor of their building, the old brickstill standing and now being used for school purposes, was the place where the school was conducted.

Dr. G. W. Wroten was brought here rom Maysville as the head of that

In the historical exhibit in the court house there is on display an announce-ment which was printed for the school in 1869, giving terms and regulations and a list of the enrollment for 1868-9. Mrs. James Hale (Genoah Wilson) has kept it all these years.

That school marked a real epoch in the educational history of the Big Sandy valley. Many persons who af-terward became prominent in the world finished their education there.

Dr. Wroten died only three years ago, He was honored by all his pupils throughout his long life.

Following is the roll: Miss Clara Prichard. Miss Vic. Vinson.

Miss Nannie Johns. Miss Annie Prichard. Miss Jennie Vinson.

Miss Ella Johns. Miss Ella Wellman. Miss Kate Sullivan.

In view of these unusual facts, Mrs. Copley was requested by the Wayne News to write James Ward, Jr., Henri, Mayo, Samuel May and David Karris.

(By Arabella Content)

below is her interesting contribution.

(By Arabelia Copley.)

I am seventy-one years old and have taught school but very little after I was ten years old I want to school but very little after I was act effective. December 1 to school but very little after I was act effective December 11, estab-ten years old. I went one term to Mr. lished the town of Louist first Frank Chapman and part of a term to Prof. McClure. They were both splendid teachers. My parents were anxious to give their children an education, but the Clurk of the Chapman of Education and Education of Education and Education of Educati

to give their children an education, but the Civil war came up and interfered with the schools; then my mother died and I had the care of the family. Most of my studying has been done at home. The

ber right he taught in a back room of an old store house, and his pupils sat around on benches without any desks of any kind. Now they are planning to the Prominent Educs

of any kind. Now they are planning to build a brick of some seven or eight rooms, with all the modern conveniences, at Fort Gay. They will have a splendid corps of teachers and a principal that all will be proud of. You will wonder, when you pass at play time, where all of the children are from.

Among those who have comk to Louisa we notice Prof. T. I-Clure and his estimable wife. other column we have told of the neer work of Dr. G. W. Wron higher educational lines. Late Prof. McClure played a very from. Some of the noteworthy developments since I first began teaching are the uniform examinations, which gives each teacher equal justice; free text books, which gives the poor child an opportunity to get an education; the graded schools, that do so much to

books, which gives the poor child an opportunity to get an education; the graded schools, that do so much to encourage the pupils to climb high educationally, and the well-equipped, comfortable houses; but the best of all advancements are our efficient, enthusiastic, well-trained teachers. I hope that young teachers, as well as the old, will always remember they are going out to train the rising generation for good citizens, and that they will always set an example of truth, honesty and industry before their pupils, for it is only by example we can really teach those virtues.

He has been engaged in educa work throughout the years of his ternity. He is a native of Law-tounty, the youngest of the 17-cand daughters of William Mcc He has two sisters living, Mrs. S Bloss of Huntington, age 93, and Nancy Billups of Louisa, in her year.

Her hearing is good and she can see well enough to thread a needle.

The Christian church acquits well enough to thread a needle.

The following facts were taken from the first church here about 11 years.

Washington, May 30.—On this Decoration day the thoughts of the section of conflict in this nation's history, fought 110 years ago, is uppermost in the minds of at least two score of women—forty—some widows who had husbands in the war of 1812.

And on this Decoration day for the first time Kentucky has the honor of being the home State of the eldest widow, whose name is on the Government pension roll as the result of serment pension roll as the ri

UNION GAS & OIL CO LAWRENCE COUNTY

Greatest Oil Property East of Mississippi River.

The greater part of this issue of the NEWS is devoted to past history. It is fitting, however, that we devote some space to the present.

The biggest thing that has been done in this county in a material way is the uncovering of the great pool of oil in the upper Blaine and Keaton field, on the west side of Lawrence county. This happened nearly five years ago, but it was some time after that before the fact was realized that this is one of the great oil pools of the that before the fact was realized that this is one of the great oil pools of the central section of the United States. The 1900 acres held by the Union Gas & Oil Company is pronounced the most desirable of any east of the Mis-

Ashland Man Killed By Train in Yards

ohn Calilhan, 55, a track walker, was run over and instantly killed by a yard engine in Ashland Monday. He was working at some task in line of his duties as a track walker and there being a freight train on the opposite track, he did not hear the approaching switch engine.

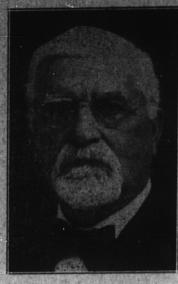

engine.

han was the father of Leonard

in, who was killed July 25 last,

he fell from a box car near the

touse. His wife survives. She

COL. JAY H. NORTHUP.

The oldest Confederate soldier in Louisa and perhaps in Lawrence county is Mr. J. William Yates. He is in his 86th year. It is not often that we see a man of his age so active. He is remarkably well preserved. His service in the Confederate army was replete with thrilling experiences and he has a great fund of war incidents.

Mr. Yates is a native of West Virginia, his home having been near Barboursville. At the close of the war he came to Louisa and located and has lived here ever since, an honorable and highly respected citizen. During most of his life he was in some branch of the merchandising business. For a good many years he was a traveling salesman. Dr. Strother J. Yates, once the leading physician of Louisa, was a brother of the subject of this sketch. He died about 30 years ago. Not a native, but fully adopted.

MADGE AND IRAD

Mrs. James P. Prince of Irad is visiting relatives in Louisa.

Messrs. John B. Damron and Clyde C. Curnutte made their regular call at Wm. Shannon's Sunday.

Several from here attended church at Dry Ridge Sunday.

There will be church at this place
Saturday night, September 10th and
Sunday. Also baptizing Sunday morn
Sunday. Also baptizing Sunday morn

Remember Sunday school every morning at 9:30 o'clock. PRIMROSE.

MRS. NANCY BILLUPS.

One of our oldest and most highly respected women, if not the oldest in Louisa, is Mrs. Nancy Billups, who is in her 89th year. She is a sister of Prof. T. B. McClure and Mrs. Bloss. She was born and reared six miles from Louisa and has lived here ever since her marriage. Mrs. Billups has been in feeble health for some time, but her mind is as clear as ever. In connection with the article in this issue about Prof. McClure will be found some family history.

MANCO

Mr. and Mrs. Joe Pigg and children re visiting at Whitehouse Mr. and Mrs. James Anderson and

children and Mr. and Mrs. Dewey Compton and children motored to Marrowbone Sunday. Mrs. ohn Neely and children are

LOUISA KENTUCI (WE'VE COME HOME TO

By Pauline Gartin Fun

Louisa Kentucky under skies of blue Louisa Kentucky, patriotic, staunch and You have made a splendid record Throughout one hundred years, Many are the friendly handclasps Many are the joys and tears!

We've come back to the land of playmat ys once more We're carefree and happy as of yore! Your great spirit served to guide Out through life and on to fame! Proud we are Louisa, Proud we are of your good name

Your sons and your daughters who have le to honor you Hall proudly from Louisa And from Lawrence County too! God bless our fathers and our mothers And their ancestors few,

Who settled Lawrence county in (1822)eijen twenty-two. We know that our children will corry ore fi To battle for our heritage that "right is ht! For we love to hear the slogan, "Big Sandy 'gainst the world."
It thrills our hearts with ecstasy As when old glory is unfurled!

We've journeyed back home to Louisa To Lawrence County and to you! Our hearts are beating at the meeting With loyalty, true blue!

How dear to our hearts are the scenespur child
The fond recollections have surely come.
We will sing one song for the old Keny home!
Hail Louisa! We've come home to yo

(The above song was composed by taughter of Mrs. Melvilla Gartin Funk, of Chicago. She her mother will be here at Home Coming.)

HOME CIRCLE COLUMN

A COLUMN DEDICATED TO TIRED MOTHERS AS THEY JOIN THE HOME CIRCLE AT EVEN-ING TIDE.

In Babylon. While to the sky's astonishment The sea grows golden with the dawn.

With windows closed and curtains

wrong;
The people talk in Babylon
Of art and music, life and song.

The people talk in Babylon

In Babylor the music plays,
While all night long the dancers heave To cymbal, drum, and saxaphone;

The swarming dancers interweave savage hordes at tribal rites; They shuffle by in seething droves They make small words of this and that

And palter at their maudlin loves. Yet, when the brain-sick dark has

McKinley Roberts were visitors at Our school Friday evening.

That long and clean the furrows fall Unhindered by the builded height Unhindered by the builded height Where pleasure spins her golden top In citadels of vain delight!

> A great many parents make a sad to keep young and active, many of them seem to think it necessary to surrender their dignity, but such is not the case. It is unfortunately not the case. It is unfortunately are thing now to see children accord to their parents the obedience and record to the re not the case. It is unfortunately a spect our grandparents demanded. Le Armsey "Mother" and "Father" have been en on Lu changed to "the old man' and "the Kitclaturday.

Parents' wishes and commands are disregarded as lightly as though they had never been given. But the child can hardly be blamed for this new attitude. Most children are the result of their rearing. If the rearing has been faulty, the result is not very pleasing, And this is in the hand of the parents. If they fall down on their jobs, on their heads is the punishment.

Rearing children is a mighty serious

business and the sooner this fact is appreciated the better. In some unenlightned countries parents bring children into the world and consider their responsibility ended as far as that child is concerned. It grows up the best it can. But we scarcely expect that sort of thing in America though we often find it. -0-

We give all our attention to constantly destroying evils. In fact many times we cause all evil to asume greater proportions than it would otherwise, simply because we make such a fuss over it. What we should do is build up good institutions and in time the evil ones will die out for want of attention. Let our reformers change their battle cry for a while and in place of constantly crying, "Down with Evil," let them cry instead, "Build up the Good." Evil is a great deal like a spoiled child. The more attention you pay to it the worse it becomes

The best test of whether you are where you belong is whether you like your work or not. There is some line of activity for which you were in-tended and when you find it your work will excel because you will love

Lock and Dam in Big Sandy River at Louisa

This was the first movable dam built in the United States. It is known as a needle dam, a French type. Mr. B. F. Thomas was in charge of the work and had French publications translated to get full information as to the

Mr. Thomas has published a work on movable dams that is used as a text book in all the leading engineering colleges of the United States and in some other countries as well. This book brought him the annual medal from the American Society of Engineers for the best work or article published during the year — a very high compliment.

The dam at Louisa makes a pool 18 feet deep, and puts six feet of water on the sill of the dam at Chapman, eight miles up the Saltpeter dam on Tug
